There is an online Goodreads discussion starting mid-January 2015 here (1/11/15): https://www.goodreads.com/topic/show/2132296-the-joys-of-motherhood--buchi-emecheta(Rating is based on group interest and Bride Price.)

It arrived quickly and in good condition. This book speaks about Ibo community of women, their joys and sadness of motherhood, and the experiences they face in marriage and life.

Even though the story was set in Africa, the struggles of motherhood are universally relatable.

No complain.
