The Line (Witching Savannah Book 1)

Synopsis

Savannah is considered a Southern treasure, a city of beauty with a rich, colorful past. Some might even call it magical. To the uninitiated, Savannah shows only her bright face and genteel manner. Those who know her well, though, can see beyond her colonial trappings and small-city charm to a world where witchcraft is respected, Hoodoo is feared, and spirits linger. Mercy Taylor is all too familiar with the supernatural side of Savannah, being a member of the most powerful family of witches in the South. Despite being powerless herself, of course. Having grown up without magic of her own, in the shadow of her talented and charismatic twin sister, Mercy has always thought herself content. But when a series of mishaps culminating in the death of the Taylor matriarch leaves a vacuum in the mystical underpinnings of Savannah, she finds herself thrust into a mystery that could shake her family apart and unleash a darkness the line of Taylor witches has been keeping at bay for generations. In *The Line*, the first book of the *Witching Savannah* series, J.D. Horn weaves magic, romance, and betrayal into a captivating Southern Gothic fantasy with a contemporary flare.

Customer Reviews

****I received this book for free from the publisher or author in exchange for an honest review. This does not affect my opinion of the book or the content of my review.****

THE LINE by JD Horn has all the elements that attract me to a book – southern gothic setting, witches, and dark family secrets that keep you guessing. I really enjoyed the story’s premise and the details of its powerful world but there were certain elements that didn’t quite work for me. What I like about **THE LINE** has everything to do with its Savannah setting – hot sultry and southern – and its powerful world of witches. In fact, the worldbuilding is really quite interesting. Tucked underneath the southern gentility of Savannah’s historic setting, which Horn details wonderfully, is a world of witches that is literally maintaining the line that divides our world from that of the demons who once ruled it. It’s this powerful line, a safety net of energy, that protects us humans from being ruled by our previous demon masters. And it requires the talent of powerful witches who serve as anchors to maintain the line to protect the world. Couple this with the actual powers of witches – telepathy, psychometry, etc – and **THE LINE** introduces the readers to a very compelling world filled with power, bickering witches, and a powerful witch family fighting to maintain control. Good stuff, right? What didn’t work so much for me are the characters themselves. I found myself not really caring about any of them. Take our heroine, Mercy. She’s the only member born into the magically lustrous and powerful Taylor family who has no magic whatsoever. She is referred to as the disappointment. But Mercy is a kind soul. She believes the best in people even if shown evidence to the contrary.
