Customer Reviews

A short story about domination and a girl getting her fantasy wish, albeit a difficult one to read due to the content. It was well written and edited. Some may not like its content, but it is just another style

of story that one could read.

...but only because of the string of "failures" trailing behind me. This story was hot. If you don't need a shower afterwards, well...

Pretty unrealistic plot. (He put HOW MUCH in her bank account?) Sex scene dirty, but okay. Not my favorite Lexi Stevens book.

Cute story. Great reading and fun. I couldn't put it down until I read every word. Thanks for making my day.

It's ok. Not the best.
